

Welcome to The RecruiterU Boardroom!

Congratulations also on making a GREAT investment in yourself and your business! The RecruiterU Boardroom is designed for owners of recruiting firms who want to go beyond the \$1MM milestone.

Boardroom is the ONLY program in the recruiting industry that combines training, coaching, mentoring, and a small group of high revenue-producing firm owners facilitating group learning, brain storming and master minding along with the customization that comes from one to one interaction.

Mastermind = “The Coordination of knowledge and effort, in a spirit of harmony, between two or more people, for the attainment of a definite purpose... “No two minds can ever come together without, thereby, creating a third, invisible, intangible force which may be likened to a third mind.”

Your Coaches!

Dion Bowden founded SearchRSA in South Africa in 2001. He grew his firm to 21 employees at it's peak. Dion is

Mike's longest running existing client relationship dating back to spring 2009.

Using the techniques, strategies and tactics he learned from Mike he developed a multi-million \$\$ office over the years. Mike describes him as "mini-me" as Dion implemented almost exactly as Mike taught him in their work together. Many of Mike's clients actively sought out Dion for help between mastermind meetings. He is an expert at new client development, metrics, hiring recruiters and coaching performance. Most like him more than Mike!

Installing Mike's systems successfully allowed him to invest in a payroll services company as his search firm now runs successfully without him there full time!
